

Could the Jehovah's Witness Religion Be True?

“How Did We Get Here?” (What's the Nature of God and Creation?)

“How Did It Get So Messed Up?” (What Separates Man from God?)

“How Do We Fix It?” (How Can We Be Reunited with God?)

Philosophical Questions to Ask

4. If I am to accept the teaching of the Jehovah's Witness religion, I am first going to have to trust the source of that teaching. But how can I trust an organization that claims to speak for God when they have been wrong about prior predictions?
5. Jehovah's Witnesses claim to be the only religious organization that can speak for God, but don't the Roman Catholic and Mormon religions make very similar claims? Why should I trust the Jehovah's Witnesses?
6. The Jehovah's Witness translation of the Bible condemns false prophecy and says that unfulfilled prophecy is an indicator that God is not speaking thorough that Prophet and that we should not, therefore, pay attention to what that prophet is saying. So shouldn't this mandate that we ignore the teaching of the Watchtower?

Biblical Questions to Ask

7. Jehovah's Witnesses often talk about John 1:1 and argue that the original Greek wording is more correctly translated “In the beginning was the Word, and the Word was with God, and the Word was a god”, rather than the orthodox rendering, “In the beginning was the Word, and the Word was with God, and the Word was God.” But if this is true why do so many translators agree with the orthodox view?
8. Jehovah's Witnesses often argue that God's true name is “Jehovah”. But if this is true, why doesn't the word, “Jehovah” appear in the New Testament?
9. Jehovah's Witnesses say that 144,000 people will be part of the “anointed Class” who will live with God in Heaven and will reign over the ‘Great Crowd’. But doesn't the Bible describe this group in contradiction to what Jehovah's Witnesses believe? (Compare Revelation 7:4-8 with Revelation 14:1,4)
10. Why Do Jehovah's Witnesses feel the need to make obvious changes to certain passages of Scripture? (look at Colossians 1:15-17 and the insertion of “other”)
11. Jehovah's Witnesses obviously deny that Jesus is God, but how can they do that when Scripture repeatedly describes Jesus as Divine?
12. How can Jehovah's Witnesses reconcile the fact that Jesus is described as the “First and Last”, just like God the Father? (Compare Isaiah 44:6, Revelation 1:8, Revelation 1:17-18, Revelation 22:12-13)
